A Message from the Premier

On behalf of the Government of Saskatchewan, I am pleased to extend greetings to all members of the Association of Canadian Search, Employment and Staffing Services (ACSESS) as you observe Staffing for Canada Week 2018.

“Putting Canadians to Work/ Au Travail” is this year’s motto by the staffing industry. Their goal is to ensure that the experience and skills of the employees are suited with the business requirements of their clients. A strong and stable economy is based on a labour force that is well-trained and highly-educated. Temporary and contract employees are valuable for businesses in order to achieve their goals; thus, contributing to the province’s success and prosperity.

ACSESS enables hundreds of thousands of Canadians to obtain employment every year. In our ever-changing economy, this is an important service benefitting employees and companies.

Best wishes for a successful Staffing for Canada Week celebration.
