Staffing for Canada Week 2019 “Putting Canadians to Work/Au Travail”

On behalf of the Government of Saskatchewan, I am pleased to extend greetings to all members of the Association of Canadian Search, Employment and Staffing Services (ACSESS) as you celebrate Staffing for Canada Week 2019.

The lifeblood to ensuring a resilient economy lies within a skilled and highly-educated labour force. The key to achieving this is the staffing industry, which ensures that the experience and skills of the candidates are well matched with the business needs of their clients. Temporary and contract employees help businesses meet their goals and contribute to our province’s economic well-being.

The expertise of the ACSESS team in meeting the diverse requirements of both employers and candidates is appreciated. I applaud your commitment to promoting best practices and ethical standards for recruitment, employment and staffing services.

Thank you for your professional service and best wishes for an enjoyable Staffing for Canada Week celebration.
